Since its inception, Theon Pharmaceuticals Ltd., a WHO-GMP and ISO 9001 :2008 certified company, has always marked its expertise and performance in the industry. Theon is equipped with world class infrastructure for manufacturing Tablets, Capsules, Ointments, Sachets, Injectables and Dry Syrup Formulations. With its state-of-the-art ultra modern facility spread over 4.5 acres in the excise free zone of Himachal Pradesh in North India; we are providing a cost competitive edge over manufacturing units operating in another parts of India. We are proud to have an ensemble of excellent product list, of DCGI approved formulations, to meet all customer needs.

We at Theon value the relationship with our esteemed clients and believe in 'Customer Centric' approach and measure our performance on the values delivered to our clientele.

The company has dedicated & segregated blocks for general Penicillins (B-lactam) & Cephalosporins dosages in the form of Tablets, Capsules, Ointments, Sachets, Injectables and Dry Syrups covering all major therapeutic segment. The company maintains separate dedicated R&D laboratories and stability chambers & laboratories to carry out Real Time & Accelerated Stability Studies as per ICH guidelines. Theon has latest sophisticated instruments in its in-house chemical, instrumental & microbiological laboratories for strict compliance of Good Laboratories Practices (GLP's).

With our Moto 'Making Quality Affordable' we aim to carve a place for ourselves in the Indian Pharmaceutical market along with our commitment to provide quality branded medicines & generics at affordable prices.

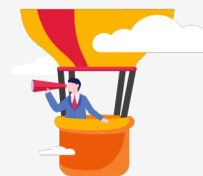

ABOUT THEON

Theon's journey began in 2005 with a mission to improve the quality of human life by ensuring premier health care for the society with quality and affordable drugs. Quality is a foundation on which the company has built its reputation. In our endeavour of "infusing health & nurturing lives" we continue to meet or exceed current good manufacturing practices (cGMP) norms and to invest in our people, process and equipment to ensure that we remain an industry leader. Our commitment to quality requires us to ensure that our facility is geared up to provide the right environment, our personnel are trained and quality conscious, our packaging provides the requisite security and cosmetic appeal and our products provide complete customer satisfaction. At the same time, Theon aims at carving a place for itself in the Indian Pharmaceuticals market with specialization in new and niche molecules thereby adding value for their clients as well as customers.

Re: **GOOD MANUFACTURING PRACTICES (GMP) INSPECTION REPORT FOR THEON PHARMACEUTICALS LIMITED, HIMACHAL PRADESH - INDIA**

Reference is made to the above captioned subject matter and the inspection which was conducted at your pharmaceutical plant on 21st to 23rd November, 2022 by Tanzania Medicines and Medical Devices Authority (TMDA).

2. The inspection was conducted as a result of your application(s) for registration of pharmaceutical products in Tanzania.

3. Based on the inspection findings, your facility complies with the minimum requirements of the GMP compendium for Good Manufacturing Practices (GMP), 2014 for the manufacturing of:

- general pharmaceutical products in form of tablets, capsules, dry powder for suspension, ointments and creams;
- cephalosporin products in form of tablets, capsules, dry powder for suspension and dry powder for injection; and
- penicillin products in form of tablets, capsules and dry powder for suspension.

4. The basis for reaching this decision has also been enumerated in the summary of basis for classifying non-conformances and the detailed audit report attached to this letter.

5. Thank you for your cooperation.
